

# LAUREN POWELL

## PROFESSIONAL SUMMARY

I am a software developer with expertise in designing, developing, testing, and implementing software solutions tailored to business needs. Proficient in multiple programming languages and frameworks, particularly JavaScript, React, and Redux. Proven track record of enhancing system performance and functionality through strategic updates. Strong collaborator focused on achieving project goals and meeting deadlines efficiently.

## PROFESSIONAL EXPERIENCE

### Software Engineering Intern

Verizon | Irving, TX | March 2025 - March 2026

- Collaborated with cross-functional teams to gather software requirements and specifications.
- Participated in Agile ceremonies, including sprint planning and daily stand-ups.
- Tested software features to ensure functionality and user experience align with expectations.
- Implemented new features into existing software systems using HTML, CSS, and JavaScript.
- Conducted research on the latest trends in software engineering best practices.
- Assisted with application configuration, support, and maintenance.
- Collaborated with other developers on coding projects in an Agile environment.
- Utilized version control systems like Git and GitHub to manage source code changes during development cycles.

### Operations Analyst

Self-Employed | Irving, TX | January 2022 - March 2025

- Coordinated with the client to gather requirements and deliver tailored solutions.
- Conducted market research to inform strategic planning and decision-making.
- Analyzed operational processes to identify areas for improvement and efficiency.
- Developed and implemented data tracking systems for project management.

### Office Manager

Radiant Windows & Glass | Southlake, TX | August 2023 – January 2025

- Building relationships with contractors, manufacturers, and third-party vendors.
- Creating and ensuring accurate invoices and estimates.
- Configuring and analyzing financial reports.
- Oversee daily office operations and admin tasks.

### Sales Representative

Chrysler Jeep Dodge Ram | Denton, TX | Nov 2015 - May 2018

- Assisted clients in the education, research, and purchases.
- Cross-collaborate with finance and service teams.
- Promotion from Business Development Coordinator to Sales Representative in 2016.
- Employee of the Month, October 2017.
